Mr. Moody,

Dear Sir,

I had a letter yesterday from J. M. Fiske, saying that all ~~out~~ the arrangements were made to have the Quarterly Meeting of our South County Anti-Sl. Society at Worcester on Tuesday March 3<sup>d</sup>, ~~& to~~ to continue through the following day.

I believe you understood this to be the arrangement. I write to you, however, at Mr. F.'s suggestion, to make all sure. If ~~any~~ you know of anything that will prevent the attendance of Parker Pillsbury, C. L. Remond, C. C. Burleigh (if he had ~~not~~ returned to Phil<sup>a</sup>.) and yourself at that time, please write immediately to John M. Fiske, West-Brookfield, and inform him thereof. If he hears nothing from you, in a day or two, he will proceed to advertise.

If the above ~~at~~ time is in accordance with your arrangements & those of Pillsbury & Remond,

will you be good enough to communicate with them (I would, if I knew where they were) and say to them we are depending on their help at Worcester.

If any thing has happened that you cannot attend the meeting, then & there, please write to J. M. F. the earliest time you can attend. I hope however nothing may occur to oblige us to postpone, for the first week in March accommodates us here, and meets several important points.

E. Quincy gave us strong encouragement that he would come also, whenever our meeting was held. I will write to him, as soon as the meeting is advertised.

I am, Very truly

Yours, Samuel May.
